- (ii) Goodchamp will not, and Dr. Lam will procure Goodchamp not to, dispose of any of the 35,305,770 Shares comprising the current shareholding in the Company owned by them and such Shares will remain wholly and beneficially owned by them up to and including the Record Date; and
- (iii) Goodchamp will, and Dr. Lam will procure Goodchamp to, lodge the acceptance of the 88,264,425 Rights Shares, which will be the number of Rights Shares provisionally allotted to it nil-paid under the Rights Issue, with the Registrar, with payment in full therefor, by no later than the Latest Time for Acceptance or otherwise in accordance with the instructions set out in the Prospectus Documents.

Save for the Irrevocable Undertaking, as at the date of this announcement, the Board has not received any information or irrevocable undertaking from any other Shareholders of their intention to take up the Rights Shares to be provisionally allotted to them.

THE COMPENSATORY ARRANGEMENTS AND THE PLACING AGREEMENT

Goodchamp, a substantial shareholder of the Company as at the time of conducting the Rights Issue, will act as the Underwriter. Pursuant to Rule 7.21(2) of the Listing Rules, the Company will make arrangements described in Rule 7.21(1)(b) of the Listing Rules to dispose of the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) by offering the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) to the Independent Placees for the benefit of the Shareholders to whom they were offered by way of the Rights Issue. Accordingly, on 19 December 2025 (after trading hours of the Stock Exchange), the Company entered into the Placing Agreement with the Placing Agent in relation to the placing of the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) to the Independent Placees on a best effort basis. Any Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) which are not placed under the Compensatory Arrangements will be underwritten by Goodchamp up to 381,000,000 Rights Shares.

Pursuant to the Bye-laws and the laws of Bermuda, there is no requirement on the minimum subscription level or minimum amount to be raised under the Rights Issue. Subject to fulfilment of the conditions of the Rights Issue, the Rights Issue will proceed regardless of the ultimate subscription level.

For details of the Compensatory Arrangements and the Placing Agreement, please refer to the section headed “Procedures in respect of the Unsubscribed Rights Shares and ES Unsold Rights Shares and the Compensatory Arrangements” in this announcement.

The Rights Issue is only available to Qualifying Shareholders. To qualify for the Rights Issue, a Shareholder must be registered as a member of the Company at the close of business on the Record Date and be a Qualifying Shareholder. In order to be registered as a member of the Company on the Record Date, all transfers of the Shares (together with the relevant share certificate(s)) must be lodged with the Registrar for registration by no later than 4:30 p.m. (Hong Kong time) on Thursday, 5 February 2026.

The last day of dealing in the Shares on a cum-rights basis is Tuesday, 3 February 2026. The Shares will be dealt with on an ex-rights basis from Wednesday, 4 February 2026.

THE UNDERWRITING AGREEMENT

After the trading hours of the Stock Exchange on 19 December 2025, the Company entered into the Underwriting Agreement with Goodchamp as the Underwriter in respect of the Rights Issue, pursuant to which Goodchamp has conditionally agreed to subscribe for up to 381,000,000 Rights Shares, being approximately 74.84% of the total Rights Shares, pursuant to the terms and subject to the conditions set out in the Underwriting Agreement.

Details of the major terms and conditions of the Underwriting Agreement are set out in the section headed “The Underwriting Agreement” in this announcement.

CLOSURE OF REGISTER OF MEMBERS FOR SGM

The register of members of the Company will be closed from Tuesday, 27 January 2026 to Monday, 2 February 2026 (both days inclusive) for determining the Shareholders’ entitlements to attend and vote at the SGM. No transfer of Shares will be registered during the above book closure period.

CLOSURE OF REGISTER OF MEMBERS FOR RIGHTS ISSUE

The register of members of the Company will be closed from Friday, 6 February 2026 to Thursday, 12 February 2026 (both dates inclusive) for determining the Shareholders’ entitlements to the Rights Issue. No transfer of Shares will be registered during the above book closure period.

LISTING RULES IMPLICATIONS

Given that the Rights Issue will increase the issued share capital of the Company by more than 50%, under Rules 7.19A and 7.27A of the Listing Rules, the Rights Issue is subject to the approval of the Independent Shareholders by way of poll at the SGM at which any controlling Shareholders and their respective associates or, where there are no controlling Shareholders, the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the resolution approving the Rights Issue.

As at the date of this announcement, there are no controlling shareholders and the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the Rights Issue at the SGM.

The Underwriter is a substantial Shareholder and therefore a connected person of the Company. Accordingly, the transactions contemplated under the Underwriting Agreement constitute a connected transaction for the Company under the Listing Rules and the Underwriting Agreement is subject to reporting, announcement and the approval of the Independent Shareholders under the Listing Rules.

As at the date of this announcement, Dr. Lam, who is an ultimate beneficial owner of the Underwriter (being a substantial Shareholder), the chairman of the Board and a non-executive Director, is indirectly interested in 35,305,770 Shares through the Underwriter, representing approximately 17.34% of the issued share capital of the Company. Therefore, Dr. Lam and his associates (including the Underwriter) are required to abstain from voting on the resolution(s) in relation to the Rights Issue, the Underwriting Agreement and the transactions contemplated thereunder as well as the Whitewash Waiver at the SGM.

The Rights Issue does not result in a theoretical dilution effect of 25% or more. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

Dr. Lam abstained from voting at the meeting of the Board convened to consider the Rights Issue and the Underwriting Agreement due to his interest in the Rights Issue and the Underwriting Agreement arising from his shareholding in the Underwriter.

TAKEOVERS CODE IMPLICATIONS AND APPLICATION FOR WHITEWASH WAIVER

As at the date of this announcement, Goodchamp (being the Underwriter), Dr. Lam and the parties acting in concert with either of them are interested in 35,305,770 Shares, representing approximately 17.34% of the issued share capital of the Company. As illustrated in the table under the section headed “Effect on the shareholding structure of the Company arising from the Rights Issue”, assuming that there is no change in the issued share capital of the Company other than the allotment and issue of the Rights Shares and assuming none of the Qualifying Shareholders have taken up any entitled Rights Shares (other than those subscriptions pursuant to the Irrevocable Undertaking) and none of the Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) have been placed by the Placing Agent, all the Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) were subscribed for through the Underwriter up to the Underwritten Shares, Goodchamp, Dr. Lam and parties acting in concert with either of them will be interested in approximately 74.98% of the issued share capital of the Company as enlarged by the issue of the Rights Shares.

Accordingly, Goodchamp would be required to make a mandatory general offer under Rule 26 of the Takeovers Code for all the Shares and other securities not already owned or agreed to be acquired by it and parties acting in concert with it, unless the Whitewash Waiver is granted.

An application will be made by Goodchamp to the Executive for the Whitewash Waiver pursuant to Note 1 on dispensations from Rule 26 of the Takeovers Code. The Whitewash Waiver, if granted by the Executive, will be subject to, among other things, (i) the approval by at least 75% of the votes casted by the Independent Shareholders either in person or by proxy at the SGM by way of poll in respect of the Whitewash Waiver; and (ii) the approval by more than 50% of the votes casted by the Independent Shareholders either in person or by proxy at the SGM by way of poll in respect of the Rights Issue (including the Underwriting Agreement) and the respective transactions contemplated thereunder.

If the Whitewash Waiver is granted by the Executive and is approved by the Independent Shareholders and the completion of the Rights Issue having taken place, the shareholding of Goodchamp, Dr. Lam and parties acting in concert with either of them in the Company will exceed 50% of the issued share capital of the Company as enlarged by the Rights Shares. Goodchamp, Dr. Lam and parties acting in concert with either of them as a concert group may further increase its shareholding in the Company without incurring any further obligation to make a general offer under Rule 26 of the Takeovers Code.

The Executive may or may not grant the Whitewash Waiver. If the Whitewash Waiver is not granted by the Executive or the approval by the Independent Shareholders of the Whitewash Waiver is not obtained, the Rights Issue will not proceed.

GENERAL

The SGM will be convened for the Independent Shareholders to consider and, if thought fit, approve the Rights Issue, the Underwriting Agreement and the transactions contemplated thereunder as well as the Whitewash Waiver. A circular containing, among other things, details of (i) the Rights Issue, the Underwriting Agreement, the Placing Agreement and the respective transactions contemplated thereunder as well as the Whitewash Waiver; (ii) a letter of recommendation from the Independent Board Committee to the Independent Shareholders in respect of the Rights Issue, the Underwriting Agreement and the respective transactions contemplated thereunder as well as the Whitewash Waiver; (iii) a letter of advice from the Independent Financial Adviser to the Independent Board Committee and the Independent Shareholders in regards of the above; and (iv) a notice convening the SGM is expected to be despatched to the Shareholders on or before Monday, 2 February 2026.

In order to be registered as a member of the Company on the record date for attendance and voting at the SGM, all transfers of Shares (together with the relevant share certificate(s)) must be lodged with the Registrar for registration by no later than 4:30 p.m. (Hong Kong time) on Monday, 26 January 2026.

INDEPENDENT BOARD COMMITTEE

According to Rule 2.8 of the Takeover Code, the Independent Board Committee should comprise all non-executive Directors who have no direct or indirect interest in the Rights Issue other than as the Shareholder. Dr. Lam, the only non-executive Director, is also the chairman of the Board, and a substantial Shareholder indirectly holding approximately 17.34% of issued share capital of the Company as at the date this announcement through the Underwriter as its ultimate beneficial owner.

As such, the Independent Board Committee comprising all the non-executive Directors other than Dr. Lam (who has direct or indirect interest in the Rights Issue, the Underwriting Agreement and the respective transactions contemplated thereunder as well as the Whitewash Waiver arising from his shareholding in the Underwriter), namely Dr. Ng Chi Yeung, Simon, Mr. Tam Yuk Sang, Sammy, and Ms. Law So Fun, all being independent non-executive Directors, has been established to advise the Independent Shareholders as to whether the Rights Issue and the transactions contemplated thereunder as well as the Whitewash Waiver are fair and reasonable and in the interests of the Company and the Independent Shareholders as a whole, and as to voting at the SGM.

Pursuant to the Listing Rules, the Independent Board Committee will also advise the Independent Shareholders as to whether the Rights Issue, the Underwriting Agreement and the transactions contemplated thereunder are on normal commercial terms, fair and reasonable and in the interests of the Company and the Independent Shareholders as a whole, and as to voting at the SGM.

INDEPENDENT FINANCIAL ADVISER

INCU Corporate Finance Limited, a licensed corporation to carry out Type 6 (advising on corporate finance) regulated activity under the SFO, has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in respect of the Rights Issue, the Underwriting Agreement and the respective transactions contemplated thereunder as well as the Whitewash Waiver. The appointment of the Independent Financial Adviser has been approved by the Independent Board Committee.

The Company will make available the Prospectus Documents containing, among other things, details of the Rights Issue, including information on acceptances of the Rights Shares to the Qualifying Shareholders on or before the Prospectus Posting Date. The Company may, to the extent reasonably practicable and legally permitted and subject to the advice of legal advisers in the relevant jurisdictions in respect of applicable local laws and regulations, make available the Prospectus to the Excluded Shareholders (if any) for their information only, but the Company will not send the PAL to the Excluded Shareholders (if any). For the avoidance of doubt, the Overseas Shareholders, if any, are entitled to attend and vote at the SGM regardless of their eligibility to participate in the Rights Issue.

Determination of the Subscription Price

The Subscription Price was determined by the Company with reference to, among others, (i) recent closing prices of the Shares under prevailing market conditions; (ii) recent liquidity of the Shares; (iii) current business performance and financial position of the Group; and (vi) the reasons as discussed in the section headed "REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS" below in this announcement.

In determining the Subscription Price, the Excluded Board considered, among other thing as mentioned above, the fluctuated closing price and low liquidity of the Shares over the six months preceding the Last Trading Day (i.e., from 19 June 2025 to the day before Last Trading Day, the “**Review Period**”). During the Review Period, the highest closing price per Share was HK\$0.165 on 6 October 2025, while the lowest closing price per Share was HK\$0.130 on 20 June 2025 respectively. The closing price per Share on Last Trading Day of HK\$0.139, decreased by approximately 15.76% as compared to the highest closing price per Share of HK\$0.165 on 6 October 2025, although the closing price per Share on the Last Trading Day represents an increase of approximately 6.92% compared to the lowest closing price per Share of HK\$0.130 on 20 June 2025 respectively. The Excluded Board noticed that there were fluctuation of closing price of the Share during October 2025. The closing price of the Share increased from HK\$0.135 on 3 October 2025 to HK\$0.165 on 6 October 2025, being the first trading day following the Company announced placing of new shares (details of which please refer to the Company’s announcement dated 3 October 2025), subsequently fell to HK\$0.143 on 13 October 2025, and then rose to HK\$0.164 on 17 October 2025, following the Company announced the net asset value of the Group as at 30 September 2025 on 15 October 2025 (details which please refer to the Company’s announcement dated 15 October 2025). In addition, the average daily trading volume of the Shares during the Review Period was approximately 698,621 Shares, representing approximately 0.34% of the total issued shares as at the Last Trading Day, representing a low trading volume of the Shares.

Furthermore, according to the annual report of the Company for the year ended 31 December 2024, the loss for the year attributable to owners of the Company was approximately HK\$21.60 million, representing an increase of approximately 242.31% compared to approximately HK\$6.31 million for the year ended 31 December 2023. According to the interim report of the Company for the six months ended 30 June 2025, the loss for the period attributable to owners of the Company narrowed from approximately HK\$14.37 million for the six months ended 30 June 2024 to approximately HK\$3.82 million for the six months ended 30 June 2025. However, the bank and cash balances of the Group decreased from approximately HK\$4.27 million as at 31 December 2024 to approximately HK\$304,000 as at 30 June 2025 and the unaudited net assets of the Company as at 30 June 2025 were approximately HK\$28.05 million, representing a decrease of approximately 11.96% compared to approximately HK\$31.86 million as at 31 December 2024.

To assess the fairness and reasonableness of the Subscription Price, the Excluded Board conducted market research for rights issue transactions announced by companies listed on the Stock Exchange from 1 September 2025 up to the Last Trading Day (the “**Criteria**”). The Review Period of approximately three months prior to and including the Last Trading Day was determined to illustrate recent practices in rights issue transactions conducted by Hong Kong listed companies during a period close to and including the Last Trading Day. Based on the search on the Stock Exchange’s website, the Excluded Board identified 27 rights issue transactions (the “**Comparables**”) which met the aforesaid Criteria, and they are exhaustive. The Excluded Board considered that notwithstanding that the businesses, operations and prospects of the Company are not the same as the subject companies of the Comparables and without any independent verification with regard to the businesses and operations of such companies, the Comparables illustrate recent rights issue transactions conducted by Hong Kong listed companies during a period close to and including the Last Trading Day.

Set out below is an exhaustive list of the Comparables announced during the Review Period:

Notes:

- The premium rates of the subscription price over the net asset value per issued share of the relevant Comparables are exceptionally high and considered as outliers, and are therefore excluded from the calculation of the premium/discount rates of the subscription price relative to the net assets value per share of the Comparables.
- The relevant comparable shows a premium of approximately HK\$2.223 over the unaudited consolidated net liabilities attributable to the shareholders as at 30 June 2025. Accordingly, such a premium rate over the net liabilities is considered an outlier and has therefore been excluded from the calculation of the premium/discount rates of the subscription price relative to the net asset value per share of the relevant comparables.

As shown in the above table, the expected maximum gross proceeds from the Comparables range from HK\$6.93 million to HK\$620.00 million, with an average of approximately HK\$117.10 million, where the size of the fundraising of the Company is within the range of the comparables. It observed that the discounts of the LTD Discount, 5-Day Discount, 10-day Discount, TERP Discount and the NAV Discount of the Company of approximately 26.62%, 30.80%, 31.08%, 9.41% and 27.14%, respectively, are below the minimum of the Comparables of approximately 47.70%, 47.79%, 50.23%, 43.18% and 97.87%, respectively. The theoretical dilution effect of the Company of approximately 22.73% is below the maximum of the Comparables of approximately 24.78%.

Taking into account the fluctuated closing prices and low liquidity of the Shares during the Review Period, as well as the weak financial performance of the Group as analysed above, the Excluded Board believes that it is reasonable for the Company to offer the Subscription Price, determined at a discount to the prevailing closing prices of the Shares, with the aim of lowering the investment cost of the Qualifying Shareholders. This is intended to encourage them to take up their entitlements to maintain their shareholdings in the Company, thereby minimising any dilution impact.

In addition, having considered (i) all Qualifying Shareholders are provided with an equal opportunity to subscribe for their assured entitlements under the Rights Issue at a relatively low price as compared to the historical market price of the Shares and at a discount to the recent closing prices of the Shares; and (ii) the Qualifying Shareholders who do not wish to take up their provisional entitlements under the Rights Issue are able to sell the nil-paid Rights Shares in the market. As such, despite any potential dilution impact of the Rights Issue on the shareholding interests of the Shareholders, the Excluded Board considers that the terms of the Rights Issue, including the Subscription Price, are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Qualifying Shareholders

The Company will make available the Prospectus Documents to the Qualifying Shareholders only. For the Excluded Shareholders, subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company may make available copies of the Prospectus to them for their information only, but no PAL will be sent to the Excluded Shareholders. To qualify for the Rights Issue, a Shareholder must at the close of business on the Record Date: (i) be registered as a Shareholder of the Company on the register of members of the Company; and (ii) not be an Excluded Shareholder.

Beneficial owners whose Shares are held by nominee companies (or held in CCASS) should note that the Board will regard a nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Beneficial owners with their Shares held by nominee companies (or held in CCASS) are advised to consider whether they would like to arrange for registration of the relevant Shares in the name of the beneficial owner(s) prior to the Record Date.

In order to be registered as a member of the Company on the Record Date, a Shareholder must lodge the relevant transfer(s) of the Share(s) (with the relevant share certificates) for registration with the Registrar at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, by 4:30 pm on Monday, 26 January 2026.

The last day of dealing in the Shares on cum-rights basis is Tuesday, 3 February 2026. The Shares will be dealt with on an ex-rights basis from Wednesday, 4 February 2026.

Subject to the fulfilment of certain conditions of the Rights Issue, the Company will despatch the Prospectus Documents containing, among other matters, details of the Rights Issue, to the Qualifying Shareholders on the Prospectus Posting Date.

Qualifying Shareholders who do not take up the Rights Shares to which they are entitled and Excluded Shareholders should note that their shareholdings in the Company will be diluted.

Rights of Overseas Shareholders

The Prospectus will not be registered under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholders, if any, may not be eligible to take part in the Rights Issue. For the avoidance of doubt, the Overseas Shareholders, if any, are entitled to attend and vote at the SGM regardless of their eligibility to participate in the Rights Issue.

The Company notes the requirements specified in the notes to Rule 13.36(2)(a) of the Listing Rules and is in the process of making reasonable enquiries regarding the feasibility of extending the Rights Issue to Overseas Shareholders present on the Record Date. If, after such enquiries, the Company is of the opinion that it would be necessary or expedient, on account of the legal restrictions or prohibitions under the laws of the relevant jurisdictions or any requirements of the relevant regulatory body or stock exchange in such jurisdictions, not to offer the Rights Shares to the relevant Overseas Shareholders, no provisional allotment of nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. Such Overseas Shareholders will be regarded as Excluded Shareholders and will not qualify for the Rights Issue. The basis of exclusion of Excluded Shareholders, if any, will be disclosed in the Prospectus.

As at the date of this announcement, there is no Overseas Shareholder.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue subject to the results of the enquiries made by the Company pursuant to the Listing Rules. Accordingly, Overseas Shareholders should exercise caution when dealing in the securities of the Company.

The Excluded Shareholders

The Company will not extend the Rights Issue to the Excluded Shareholders. Accordingly, no provisional allotment of Rights Shares will be made to the Excluded Shareholders and the Excluded Shareholders will not be entitled to apply for Rights Shares.

The Company will send the Prospectus Documents to the Qualifying Shareholders only and will, subject to the advice given in the legal opinions provided by the Company's legal advisers in the relevant overseas jurisdictions of Overseas Shareholders, if any, and to the extent reasonably practicable, send the Prospectus (excluding the PAL) to the Excluded Shareholders for information purposes only.

As at the date of this announcement, there is no Excluded Shareholder.

Basis of provisional allotment

The basis of the provisional allotment shall be five (5) Rights Shares for every two (2) Shares in issue and held by the Qualifying Shareholders at the close of business on the Record Date at the Subscription Price payable in full on acceptance and otherwise on the terms and subject to the conditions set out in the Prospectus Documents.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by lodging a duly completed PAL and a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance.

Entitlements to the Rights Shares

The Company will not provisionally allot and will not accept application for any fractions of the Rights Shares. All fractions of the Rights Shares will be aggregated and rounded down to the nearest whole number and will be disposed by the Company in the open market if a premium (net of expenses) can be obtained.

Odd lot arrangement

In order to facilitate the trading of odd lots (if any) of the Shares, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Shares to make up a full board lot, or to dispose of their holding of odd lots of the Shares. Details of the odd lots arrangement will be set out in the Prospectus to be despatched to the Shareholders.

Holders of odd lots of the Shares should note that the matching of the sale and purchase of odd lots of the Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Status of the Rights Shares

The Rights Shares, when allotted, issued and fully paid, shall rank *pari passu* in all respects with the Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which are declared, made or paid on or after the date of allotment of the Rights Shares in their fully-paid form.

Procedures in respect of the Unsubscribed Rights Shares and ES Unsold Rights Shares and the Compensatory Arrangements

Goodchamp, a substantial shareholder of the Company as at the time of conducting the Rights Issue, will act as the Underwriter. Pursuant to Rule 7.21(2) of the Listing Rules, the Company will make arrangements described in Rule 7.21(1)(b) of the Listing Rules to dispose of the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) by offering the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) to the Independent Placees for the benefit of the Shareholders to whom they were offered by way of the Rights Issue. Accordingly, on 19 December 2025 (after trading hours of the Stock Exchange), the Company entered into the Placing Agreement with the Placing Agent in relation to the placing of the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) to the Independent Placees on a best effort basis.

Pursuant to the Placing Agreement, the Company has appointed the Placing Agent to place the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) during the Placing Period to the Independent Placees on a best effort basis, and any premium over the Subscription Price for those Rights Shares that is realised will be paid to those No Action Shareholders on a prorata basis. The Placing Agent will, on a best effort basis, procure, by not later than 4:00 p.m. on Monday, 16 March 2026, subscribers for all (or as many as possible) of those Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any). Any Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) which are not placed under the Compensatory Arrangements will be underwritten by Goodchamp up to 381,000,000 Rights Shares.

Net Gain (if any) will be paid (without interest) to the No Action Shareholders as set out below on pro rata basis (but rounded down to the nearest cent):

- A. the relevant Qualifying Shareholders (or such persons who hold any nil-paid rights at the time such nil-paid rights are lapsed) whose nil-paid rights are not validly applied for in full, by reference to the extent that Shares in his/her/its nil-paid rights are not validly applied for; and
- B. the relevant Excluded Shareholders with reference to their shareholdings in the Company on the Record Date.

If and to the extent in respect of any Net Gain, any No Action Shareholders become entitled on the basis described above to an amount of HK\$100 or more, such amount will be paid to the relevant No Action Shareholder(s) in Hong Kong Dollars only and the Company will retain individual amounts of less than HK\$100 for its own benefits.

Placing Agreement for the Unsubscribed Rights Shares and ES Unsold Rights Shares

Principal terms of the Placing Agreement are summarised as follows:

Date: 19 December 2025 (after trading hours of the Stock Exchange)

Issuer: The Company

Placing Agent: Kingston Securities Limited, a corporation licensed to carry out Type 1 (dealing in securities) regulated activity under the SFO, was appointed as the Placing Agent to procure, on a best effort basis, placees to subscribe for the Unsubscribed Rights Shares and ES Unsold Rights Shares during the Placing Period.

The Placing Agent has confirmed that it is the Independent Third Party and not acting in concert with Goodchamp (being the Underwriter), and/or Dr. Lam and parties acting in concert with either of them.

Placing Period: The period commencing from Tuesday, 10 March 2026 and ending at 4:00 p.m. on Monday, 16 March 2026

Commission and expenses: Subject to completion of the Placing, the Company shall pay to the Placing Agent a placing commission in Hong Kong Dollars, of 2.5% of the amount which is equal to the placing price multiplied by the number of Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) that have been successfully placed by the Placing Agent and/or its sub-placing agent(s) pursuant to the terms of the Placing Agreement. Assuming none of the Qualifying Shareholders has taken up their entitled Rights Shares (other than those subscriptions pursuant to the Irrevocable Undertaking) and all Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) have been placed by the Placed Agent, the total placing commission will be approximately HK\$1.07 million in cash to be deducted from the gross proceeds of the Rights Issue.

Placing price of the Unsubscribed Rights Shares and ES Unsold Rights Shares:	The placing price of the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) shall be not less than the Subscription Price. The final price determination will depend on the demand for and the market conditions of the Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) during the process of placement.
Placees:	The Unsubscribed Rights Shares and ES Unsold Rights Shares (if any) are expected to be placed to the Independent Placee(s). The Placing will not have any implications under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing. The Company will continue to comply with the Public Float Requirement upon completion of the Placing and the Rights Issue. The Placing Agent shall also ensure the Placing will not result in the Company incapable of complying with the Public Float Requirements immediately following the Placing.
Ranking of the placed Unsubscribed Rights Shares and ES Unsold Rights Shares:	The placed Unsubscribed Rights Shares and ES Unsold Rights Shares (when allotted, issued and fully paid, if any) shall rank <i>pari passu</i> in all respects among themselves and with the Shares in issue as at the date of completion of the Rights Issue.

Conditions of the Placing Agreement: The obligations of the Placing Agent under the Placing Agreement are conditional upon, among others, the following conditions being fulfilled:

- (i) the passing of the Independent Shareholders at the SGM of (a) ordinary resolutions to approve the Underwriting Agreement, the Rights Issue and the respective transactions contemplated thereunder (more than 50% of the Independent Shareholders either in person or by proxy at the SGM by way of poll); and (b) special resolutions to approve the Whitewash Waiver (at least 75% of the Independent Shareholders either in person or by proxy at the SGM by way of poll) in accordance with the Listing Rules and the Takeovers Code by no later than the Prospectus Posting Date;
- (ii) the Executive granting the Whitewash Waiver to the Underwriter and the satisfaction of any condition attached to the Whitewash Waiver granted;
- (iii) the Underwriting Agreement having been entered into by the parties thereto and having become unconditional and not terminated pursuant to the terms of the Underwriting Agreement;
- (iv) the Listing Committee of the Stock Exchange having granted the listing of, and permission to deal in, the Rights Shares in their nil-paid and fully paid forms (subject to customary conditions) and such approval not having been withdrawn or revoked;
- (v) all necessary consents and approvals to be obtained on the part of the Placing Agent and the Company in respect of the Placing Agreement and the transactions contemplated hereunder having been obtained;
- (vi) none of the representations, warranties or undertakings contained in this Agreement being or having become untrue, inaccurate or misleading in any material respect at any time before the Placing Completion, and no fact or circumstance having arisen and nothing having been done or omitted to be done which would render any of such undertakings, representations or warranties untrue or inaccurate in any material respect as if it were repeated as at the time of the Placing Completion; and

- (vii) the Placing Agreement not having been terminated in accordance with the provisions thereof.

None of the above conditions is capable of being waived.

In the event that the above condition precedents have not been fulfilled on or before the Latest Time for Termination, all rights, obligations and liabilities of the parties thereunder in relation to the Placing shall cease and determine and none of the parties shall have any claim against the other in respect of the Placing save for any antecedent breach and/or any rights or obligations which may accrue under the Placing Agreement prior to such termination.

Termination:

Notwithstanding anything contained in the Placing Agreement, the Placing Agent may terminate the Placing Agreement without any liability to the Company, by notice in writing given to the Company at any time prior to the Latest Time for Termination upon the occurrence of the following events which, in the reasonable opinion of the Placing Agent, has or may have a material adverse effect on the business or financial conditions or prospects of the Company or the Group taken as a whole or the success of the Placing or the full placement of all of the Unsubscribed Rights Shares and the ES Unsold Rights Shares or otherwise make it inappropriate, inadvisable or inexpedient to proceed with the Placing on the terms and in the manner contemplated in the Placing Agreement if there develops, occurs or comes into force:

- (a) the occurrence of any event, development or change (whether or not local, national or international or forming part of a series of events, developments or changes occurring or continuing before on and/or after the date of the Placing Agreement) and including an event or change in relation to or a development of an existing state of affairs of a political, military, industry, financial, economic, fiscal, regulatory or other nature, resulting in a change in, or may result in a change in, political, economic, fiscal, financial, regulatory or stock market conditions and which in the Placing Agent's reasonable opinion would affect the success of the Placing; or

- (b) the imposition of any moratorium, suspension (for more than 7 trading days) or restriction on trading in securities generally on the Stock Exchange occurring due to exceptional financial circumstances or otherwise and which in the Placing Agent's absolute opinion, would affect the success of the Placing; or
- (c) any new law or regulation or change in existing laws or regulations or any change in the interpretation or application thereof by any court or other competent authority in Hong Kong or any other jurisdiction relevant to the Group and if in the Placing Agent's reasonable opinion any such new law or change may affect the business or financial prospects of the Group and/or the success of the Placing; or
- (d) any litigation or claim being instigated against any member of the Group or its senior management, which has or may affect the business or financial position of the Group and which in the Placing Agent's reasonable opinion would affect the success of the Placing; or
- (e) any breach of any of the representations and warranties given by the Company as set out in the Placing Agreement having come to the knowledge of the Placing Agent or any event having occurred or any matter having arisen on or after the date of the Placing Agreement and prior to the completion of the Rights Issue which if it had occurred or arisen before the date of the Placing Agreement would have rendered any of such representations and warranties untrue or incorrect in a material respect or there has been a material breach by the Company of any other provision of the Placing Agreement; or
- (f) there is any material change (whether or not forming part of a series of changes) in market conditions which in the reasonable opinion of the Placing Agent would materially and prejudicially affect the Placing or makes it inadvisable or inexpedient for the Placing to proceed.

The terms of the Placing Agreement (including the placing commission thereof) were determined after arm's length negotiation between the Company and the Placing Agent with reference to the size of the Rights Issue and the prevailing market rate of commission and are on normal commercial terms. The Excluded Board considers that the terms of the Placing Agreement are fair and reasonable.

Given that the Compensatory Arrangements would provide a compensatory mechanism for the No Action Shareholders, the Excluded Board considers that the Compensatory Arrangements are in the interest of the Shareholders.

Share certificates and refund cheques for the Rights Issue

Subject to fulfilment of the conditions of the Rights Issue, share certificates for all fully-paid Rights Shares are expected to be posted to those entitled thereto by ordinary post to their registered addresses, at their own risks, on or before Tuesday, 24 March 2026. If the Rights Issue does not become unconditional, refund cheques are expected to be despatched on or before Tuesday, 24 March 2026 to the applicants without interest to their registered addresses by ordinary post at their own risks.

The Irrevocable Undertaking

As at the date of this announcement, Goodchamp is legally interested in 35,305,770 Shares. Pursuant to Irrevocable Undertaking, each of Goodchamp and its ultimate beneficial owner, Dr. Lam has given an irrevocable undertaking in favour of the Company, that:

- (i) Goodchamp will, and Dr. Lam will procure Goodchamp to, subscribe for 88,264,425 Rights Shares which comprise the full acceptance of Goodchamp's provisional entitlement in respect of the 35,305,770 Shares held by it;
- (ii) Goodchamp will not, and Dr. Lam will procure Goodchamp not to, dispose of any of the 35,305,770 Shares comprising the current shareholding in the Company owned by them and such Shares will remain wholly and beneficially owned by them up to and including the Record Date; and

- (iii) Goodchamp will, and Dr. Lam will procure Goodchamp to, lodge the acceptance of the 88,264,425 Rights Shares, which will be the number of Rights Shares provisionally allotted to it nil-paid under the Rights Issue, with the Registrar, with payment in full therefor, by no later than the Latest Time for Acceptance or otherwise in accordance with the instructions set out in the Prospectus Documents.

Save for the Irrevocable Undertaking, as at the date of this announcement, the Board has not received any information or irrevocable undertaking from any other Shareholders of their intention to take up the Rights Shares to be provisionally allotted to them.

Application for listing of the Rights Shares

The Company will apply to the Stock Exchange for the approval for the listing of, and permission to deal in, the Rights Shares, in both their nil-paid and fully-paid forms. No securities of the Company in issue or the Rights Shares for which listing or permission to deal is to be sought is listed or dealt in on any other stock exchange.

Rights Shares in both their nil-paid and fully-paid forms will be traded in board lots of 6,000 Shares.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of the approval for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares (in both their nil-paid and fully-paid forms) are expected to be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders whose Shares are held through CCASS should seek advice from their stockbroker or other professional adviser for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Stamp duty and other applicable fees

Dealing in the Rights Shares in both their nil-paid and fully-paid forms which are registered in the register of members of the Company in Hong Kong will be subject to the payment of stamp duty, Stock Exchange trading fee, transaction levy, investor compensation levy or any other applicable fees and charges in Hong Kong.

Taxation

Shareholders are advised to consult their professional advisers if they are in doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the nil-paid Rights Shares or the fully-paid Rights Shares and, regarding Excluded Shareholders, their receipt of the net proceeds, if any, from sales of the nil-paid Rights Shares on their behalf.

Conditions of the Rights Issue

The Rights Issue is conditional upon the Underwriting Agreement having become unconditional and not being terminated in accordance with the terms thereof.

THE UNDERWRITING AGREEMENT

The Rights Issue will be partially underwritten by Goodchamp as the Underwriter in accordance with the terms and conditions of the Underwriting Agreement. The principal terms and conditions of the Underwriting Agreement are set out below:

Date	:	19 December 2025
Parties	:	(i) the Company; and (ii) Goodchamp as the Underwriter
Underwriter	:	Goodchamp, which is a substantial Shareholder interested in 35,305,770 Shares, representing approximately 17.34% of the issued share capital of the Company as at the date of this announcement, and is ultimately owned by Dr. Lam (who is the chairman of the Board and a non-executive Director as at the date of this announcement). The Underwriter is not in the ordinary course of business to underwrite securities and confirms that it has complied with Rule 7.19(1)(b) of the Listing Rules.

The Underwriter shall ensure the underwriting will not result in the Company incapable of complying with the Public Float Requirements immediately following the Placing and the underwriting.

Number of Rights Shares to be underwritten by the Underwriter	:	Up to 381,000,000 Rights Shares (being all the Underwritten Shares excluding the 88,264,425 Shares under the Irrevocable Undertaking), being approximately 74.84% of the total Rights Shares.
Underwriting commission	:	The Underwriter will not receive any underwriting commission.

The terms of the Underwriting Agreement were determined after arm's length negotiations between the parties, taking into account the financial position of the Group, the size of the Rights Issue, the current and expected market conditions and the prevailing market rates of underwriting commission.

To assess the fairness and reasonableness of the underwriting commission, the Excluded Board conducted market research to identify an exhaustive list of 27 Comparables as set out in the paragraph headed "Determination of the Subscription Price" under the section headed "Proposed Rights Issue" above.

The Excluded Board noted that the underwriting commissions for these Comparables ranged from nil to 4.50%. Having considered the terms of the Underwriting Agreement, including that no commission is payable to the Underwriter, the Excluded Board is of the view that term of the Underwriting Agreement (including the underwriting commission) is fair and reasonable as far as the Shareholders are concerned, and the transactions contemplated under the Underwriting Agreement are on normal commercial terms or better and in the interests of the Company and the Shareholders as a whole.

Condition of the Underwriting Agreement

The Underwriting Agreement is conditional upon the fulfilment (or waiver, if applicable, by the Underwriter) of the following conditions:

REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS

The Company is an investment company listed on the Main Board of the Stock Exchange under Chapter 21 of the Listing Rules. It is principally engaged in investment in equity and debt securities of listed and unlisted companies.

The primary objective of Company is to achieve capital appreciation as well as generate income from interests and dividends by investing in listed and unlisted companies in the PRC, Hong Kong and Macau, United States, Asia-Pacific Region and any other appropriate countries and/or capital markets as the Board may direct from time to time. The Company also intends to invest in unlisted companies with the potential to seek a listing on the Stock Exchange or any overseas stock exchanges.

Since the second half of 2024, capital market sentiment in Hong Kong and the PRC has shown signs of recovery despite the continuing geopolitical tension and other macroeconomic uncertainties. Hang Seng Stock Index has steadily increased and exceeded 27,000 level in October 2025 for the first time in four years. At the Central Economic Work Conference of the PRC, the PRC Government intends to promote industrial innovation through scientific and technological innovation, especially using disruptive and cutting-edge technologies to give birth to new industries, new models, new momentum, and to enhance productivity. To deliver better returns to its Shareholders and expand its investment portfolio, the Group has adopted prudent but proactive approach, actively identifying and pursuing potential business opportunities.

According to the annual report of the Company for the year ended 31 December 2024, the Group has incurred administrative expenses and general operation expenses of approximately HK\$11.76 million for the year ended 31 December 2024. However, the bank and cash balances were approximately HK\$304,000 as at 30 June 2025, according to the interim report of the Company.

Use of Proceeds

The Company has identified a potential investment opportunity and entered into a memorandum of understanding with the target company in relation to the possible investment to acquire equity interest in the target company on 1 September 2025. The target company is a company incorporated in the PRC with limited liabilities. It is mainly engaged in providing high-quality integrated new energy solutions, specializing in the investment, construction and operation of new energy sectors (photovoltaics, inverters, energy storage, charging stations microgrids and hydrogen energy). Photovoltaics is inevitable trend in the development of the global energy industry and industrial structure adjustment, often referred to as the “third industry revolution (第三次工業革命)”. China, as one of the largest energy consumers in the world, has included “photovoltaic poverty alleviation & distributed photovoltaics (光伏扶貧&分佈式光伏)” in its economy strategy, actively encouraging the development of distributed photovoltaics at the policy level. Taking into above, the Board believes that the target company will be a valuable investment opportunity. Details of the memorandum of undertaking are set out in the announcement of the Company dated 1 September 2025.

As at the date of this announcement, the Company is conducting a due diligence review on the target company and has not entered into any undertaking or formal agreement for the investment.

Besides, the Board considers that investment in artificial intelligence (AI) technologies may yield strong returns, particularly as costs continue to decline and applications expand from digital platforms into physical environments. In addition, the Stablecoins Ordinance, which came into effect on 1 August 2025, has established a licensing regime for fiat-referenced stablecoin issuers in Hong Kong. This Ordinance represents a significant step forward in enhancing the regulatory framework for digital asset activities, safeguarding monetary and financial stability, and further strengthening Hong Kong’s position as an international financial centre. Accordingly, the Board will consider investment opportunities in these sectors where appropriate.

The Board will continue to explore other investment opportunities for the Company, seek to expand the Company’s business. In the implementation of the aforesaid intentions, the Company will ensure compliance with the requirements under Chapter 21 of the Listing Rules (including the restrictions under Rules 21.04(3)(a) and (b) of the Listing Rules).

Save for the above, the Company has not identified any particular potential investments or opportunities and currently does not have any intention, negotiation, agreement, arrangement and understanding (concluded or otherwise) in relation thereof. In addition, as at the date of this announcement, neither Goodchamp, Dr. Lam nor any person acting in concert with either of them has made any arrangements with Shareholders or enter into arrangements to purchase or sell securities of the Company, or which involve acceptance of an offer that have favourable conditions which are not to be extended to all Shareholders.

Owing to the business nature of the Company, being an investment company, the Company requires extensive cash to grow. Unlike other companies with regular cash revenues from operations, investments of investment companies under Chapter 21 of the Listing Rules do not necessarily generate sufficient cash for its operations and its cash position is largely dependent on the market conditions and its investment strategies. The Excluded Board considers that the cash position on hand will not be sufficient for the Company to capture suitable investment opportunities as they arise in the near future, hence the Rights Issue is being undertaken with a view to strengthening the capital base of the Company and providing it with readily available funds for capturing suitable investment opportunities in a timely fashion to provide investment returns to the Company and Shareholders as well as additional financial resources to support its long-term business strategy and investment objectives.

In view of above, the Excluded Board considers that it is commercially reasonable to obtain external financing to strengthen its capital structure and expand its investment portfolio with a view to achieving improvement of the Group's future business prospects, and to facilitate its general working capital.

The Excluded Board considers that the Rights Issue provides a good opportunity for the Group to strengthen its capital base and to enhance its financial position, while at the same time the Rights Issue will enable all Shareholders to participate in the future development of the Company on equal terms. Since the Rights Issue will allow the Qualifying Shareholders to maintain their respective pro rata shareholdings in the Company and therefore avoid dilution, the Excluded Board considers that it is in the interests of the Company and the Shareholders as a whole to raise capital through the Rights Issue.

However, those Qualifying Shareholders who do not take up the Rights Shares to which they are entitled should note that their shareholdings will be diluted.

The net proceeds of the Rights Issue, assuming full subscription, will be up to approximately HK\$49.24 million (assuming no change in number of Shares in issue on or before Record Date). Having considered the above, the Company intends to apply the net proceeds from the Rights Issue as follows:

- (i) approximately 70% (or approximately HK\$34.47 million) for investment in listed securities and unlisted securities, including but not limited to the acquisition of equity interest in the target company engaged in new energy solutions (companies that engaged in principal businesses including but not limited to photovoltaics, renewable energy, hydrogen energy, energy storage, and related innovative fields), AI and digital assets as mentioned above. As at the date of this announcement, save for the memorandum of undertaking entered into by the Company in relation to the potential investment in the acquisition of an equity interest in the target company as mentioned above, no formal agreement has been entered into in respect of any potential investment; and

- (ii) approximately 30% (or approximately HK\$14.77 million) for the general working capital of the Group, including the payment for staff costs, professional fees, administrative expenses and other operating expenses.

In the event that there is an undersubscription of the Rights Issue, the use of proceeds raised from the Rights Issue will be allocated on a pro-rata basis for the purposes disclosed above, i.e. (i) approximately 70% of the net proceeds from the Rights Issue will be used for investment in listed securities and unlisted securities, including but not limited to investment prospects in the acquisition of equity interest in the target company engaged in new energy solutions, AI and digital assets as mentioned above; and (ii) approximately 30% of the net proceeds from the Rights Issue will be used for the general working capital of the Group, including the payment for staff cost, professional fees, administrative expenses and other operating expenses. Further details of the use of proceeds will be disclosed by the Company in the announcement of results of the Rights Issue.

Rights Issue as the preferred fundraising activity of the Group

The Excluded Board has considered various ways of raising funds and believes that the Rights Issue is the most efficient way in terms of time and costs for the Company. The Excluded Board considers it is prudent to finance the Group's long-term growth by long-term financing, preferably in the form of equity which will not increase the Group's finance costs.

The Excluded Board has considered other fundraising alternatives before resolving the Rights Issue, including but not limited to debt financing, placing and open offer. Debt financing will result in additional interest burden, higher gearing ratio of the Group and subject the Group to repayment obligations. In addition, debt financing may not be achievable on favourable terms in a timely manner. As for equity fundraising, the Company recently conducted a placing of new shares under the general mandate (as detailed in the Company's announcement dated 3 October 2025). As for open offer, while it is similar to a rights issue and offer Qualifying Shareholders to participate, it does not allow free trading of rights entitlements in the open market. On the other hand, the Excluded Board considers that the Rights Issue, being pre-emptive in nature, would allow all Qualifying Shareholders to participate in the future development of the Company and at the same time offer more flexibility to the Qualifying Shareholders to choose whether to maintain, increase or decrease their rights entitlement, acquiring additional rights entitlement or disposing of their rights entitlements in the open market (subject to availability).

The Excluded Board considers that the terms of the Rights Issue are fair and reasonable and raising funds through the Rights Issue is in the interests of the Company and the Shareholders as a whole.

LISTING RULES IMPLICATIONS

Given that the Rights Issue will increase the issued share capital of the Company by more than 50%, under Rules 7.19A and 7.27A of the Listing Rules, the Rights Issue is subject to the approval of the Independent Shareholders by way of poll at the SGM at which any controlling Shareholders and their respective associates or, where there are no controlling Shareholders, the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the resolution approving the Rights Issue.

As at the date of this announcement, there are no controlling shareholders and the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the Rights Issue at the SGM.

The Underwriter is a substantial Shareholder and therefore a connected person of the Company. Accordingly, the transactions contemplated under the Underwriting Agreement constitute a connected transaction for the Company under the Listing Rules and the Underwriting Agreement is subject to reporting, announcement and the approval of the Independent Shareholders under the Listing Rules.

As at the date of this announcement, Dr. Lam, who is an ultimate beneficial owner of the Underwriter (being a substantial Shareholder), the chairman of the Board and a non-executive Director, is indirectly interested in 35,305,770 Shares, representing approximately 17.34% of the issued share capital of the Company through the Underwriter. Therefore, Dr. Lam and his associate (including the Underwriter) are required to abstain from voting on the resolution(s) in relation to the Rights Issue, the Underwriting Agreement and the transactions contemplated thereunder as well as the Whitewash Waiver at the SGM.

The Rights Issue does not result in a theoretical dilution effect of 25% or more. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

Dr. Lam abstained from voting at the meeting of the Board convened to consider the Rights Issue and the Underwriting Agreement due to his interest in the Rights Issue and the Underwriting Agreement arising from his shareholding in the Underwriter.

TAKEOVERS CODE IMPLICATIONS AND APPLICATION FOR WHITEWASH WAIVER

As at the date of this announcement, Goodchamp (being the Underwriter), Dr. Lam and the parties acting in concert with either of them are interested in 35,305,770 Shares, representing approximately 17.34% of the issued share capital of the Company. As illustrated in the table under the section headed “Effect on the shareholding structure of the Company arising from the Rights Issue”, assuming none of the Qualifying Shareholders have taken up any entitled Rights Shares (other than those subscriptions pursuant to the Irrevocable Undertaking) and none of the Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) have been placed by the Placing Agent, all the Unsubscribed Rights Shares and the ES Unsold Rights Shares (if any) were subscribed for through the Underwriter up to the Underwritten Shares, Goodchamp, Dr. Lam and parties acting in concert with either of them will be interested in approximately 74.98% of the issued share capital of the Company as enlarged by the issue of the Rights Shares.

Accordingly, Goodchamp would be required to make a mandatory general offer under Rule 26 of the Takeovers Code for all the Shares and other securities not already owned or agreed to be acquired by it and parties acting in concert with it, unless the Whitewash Waiver is granted.

An application will be made by Goodchamp to the Executive for the Whitewash Waiver pursuant to Note 1 on dispensations from Rule 26 of the Takeovers Code. The Whitewash Waiver, if granted by the Executive, will be subject to, among other things, (i) the approval by at least 75% of the votes casted by the Independent Shareholders either in person or by proxy at the SGM by way of poll in respect of the Whitewash Waiver; and (ii) the approval by more than 50% of the votes casted by the Independent Shareholders either in person or by proxy at the SGM by way of poll in respect of the Rights Issue (including the Underwriting Agreement) and the respective transactions contemplated thereunder.

As at the date of this announcement, the Company does not believe that the Rights Issue, the Placing Agreement, the Underwriting Agreement, the Whitewash Waiver and the transactions contemplated thereunder give rise to any concerns in relation to compliance with other applicable rules or regulations (including the Listing Rules). If a concern should arise after the release of this announcement, the Company will endeavour to resolve the matter to the satisfaction of the relevant authority as soon as possible but in any event before the despatch of the Circular. The Company notes that the Executive may not grant the Whitewash Waiver if the Rights Issue, the Placing Agreement, the Underwriting Agreement and the transactions contemplated thereunder do not comply with other applicable rules and regulations.

If the Whitewash Waiver is granted by the Executive and is approved by the Independent Shareholders and the completion of the Rights Issue having taken place, the shareholding of Goodchamp, Dr. Lam and parties acting in concert with either of them in the Company will exceed 50% of the issued share capital of the Company as enlarged by the Rights Shares. Goodchamp, Dr. Lam and parties acting in concert with either of them as a concert group may further increase its shareholding in the Company without incurring any further obligation to make a general offer under Rule 26 of the Takeovers Code.

The Executive may or may not grant the Whitewash Waiver. If the Whitewash Waiver is not granted by the Executive or the approval by the Independent Shareholders of the Whitewash Waiver is not obtained, the Rights Issue will not proceed.
